Mr. R.F.Jardine,  
c/o Commissioner for Colonies  
and Surveys,  
Jerusalem.

*You asked for the  
claims, those are not  
enclosed, neither does the  
D.O. give this  
opening*

Subject :- Claims for Compensation.

Reference :- Your CL/6(2) of 30.11.37  
addressed to Asst. District  
Commissioner, Samaria with  
copy to me.

*Replied to*

I submit herewith a complete list  
of all cases of damages, which occurred in my area,  
and which were reported to this office. The list  
shows the name of the applicant, the place or settle-  
ment, it describes the damage incurred, the date of  
its occurrence and the unofficial valuation.

With regard to the valuation, it was  
not possible then to have the Agricultural Inspector  
of Tulkarm in each and every case, and so the valua-  
tion was left to the owners and the Police. I was  
however careful, not to include in my files exaggerated  
claims, and I therefore believe them to be more or  
less accurate.

I hope that this complete list will  
assist you in your difficult task.

IC/SR.

CL/6(2)

30th November 1937.

Asst. District Commissioner,  
Samaria, Nablus.  
-----

Subject:- Claims for Compensation.

Reference: Your 8/130/68-21-5602  
dated 17.11.37.

I would be grateful if you would ask the District Officer, Nathanya to send me the claims mentioned in the list, together with remarks upon each, as to whether, in his opinion after his investigations, the damage was caused by riotous action, and as to what approximate compensation should be awarded. It is possible that in several of the cases mentioned I have already asked for his opinion but it is difficult exactly to identify some of the claimants mentioned with some of the claims I have received.

Claims which refer only to tree damage, the District Officer need not send me.

R.F. JARDINE.

Copy to District Officer, Nathanya,  
with copy of list.
